DECISION AND NOTICE OF INTERIM TRAIL USE OR ABANDONMENT

STB Docket No. AB-325 (Sub-No. 2X)

FLORIDA MIDLAND RAILROAD COMPANY—ABANDONMENT EXEMPTION—  
IN SUMTER AND LAKE COUNTIES, FL

Decided: December 13, 2002

By decision served on February 23, 2001 (February 23 decision), the Board granted Florida Midland Railroad Company (FMID) an exemption under 49 U.S.C. 10502 from the prior approval requirements of 49 U.S.C. 10903 to abandon a 13.23-mile line of railroad known as the Leesburg Branch, extending from milepost ST-762.10 in Wildwood to milepost ST-773.71 in Leesburg and from milepost AS-800.76 to milepost AS-802.38 at Leesburg, in Sumter and Lake Counties, FL, subject to environmental and standard employee protective conditions. The exemption was scheduled to become effective on March 25, 2001. Subsequently, by decision and notice of interim trail use or abandonment (NITU) served on June 19, 2002, this proceeding was reopened and modified to authorize a 180-day period (until December 16, 2002) for the City of Leesburg, FL (the City), to negotiate an interim trail use/rail banking agreement with FMID for those portions of the right-of-way extending from milepost ST-769.43 to milepost ST-773.7, and from milepost AS-800.8 to milepost AS-802.38.

On November 29, 2002, FMID filed a request for extension of the NITU until June 8, 2003. FMID states that the parties have been unable to finalize the transaction and more time is needed to allow the negotiations to proceed. On December 12, 2002, the City also filed a request for an extension until June 8, 2003.

Where, as here, the carrier is willing to continue trail use negotiations, the negotiating period may be extended.<sup>1</sup> FMID has shown that the additional time is necessary to complete negotiations. An extension of time will promote the establishment of trails and rail banking consistent with the National Trails System Act, 16 U.S.C. 1247(d). Accordingly, the NITU negotiating period will be extended until June 8, 2003, for the portions of the line described above.

This action will not significantly affect either the quality of the human environment or the conservation of energy resources.

It is ordered:

1. The requests to extend the NITU negotiating period until June 8, 2003, for the portions of the line described above, is granted.
2. This decision is effective on the date of service.
